

Methodical Review

AUTHOR STATEMENT

Name(s) of the author(s) whose paper has been receive for publishing in *Methodical Review*:

Author responsible for correspondence with the journal (for papers with multiple authors):

Title of the paper:

The author listed hereby declares:

- that the submitted paper is an original work
- that the paper has not been published in its draft or final version (except as a summary) in any language or in any printed or electronic publicly accessible medium
- that the same or a similar version of the paper is not in the process of being reviewed for publication in another periodical
- that the text will not be distributed during the review process carried out by *Methodical Review* (until it has been decided whether or not the paper has been accepted or rejected)
- that no part of the paper can be characterised as having been plagiarised, and that the author(s) have taken all possible measures to prevent plagiarism
- that, in cases where the content of the text is related to a particular undergraduate, graduate, master's, doctoral, or similar thesis, this reference has been appropriately acknowledged in the paper (in a footnote and in the bibliography).
- that the author(s) have obtained all required rights for any reproductions used in the paper prior to sending the paper to the journal (third party copyright)
- that the sources of financing of the research presented in the paper (if any) are clearly identified
- that the research presented in the text was conducted in accordance with the highest ethical standards and that the approval of the relevant ethics committee for conducting the research was requested and obtained (a note confirming the obtained approval must also be clearly stated in the manuscript itself)
- that the paper contains no inappropriate, offensive, or illegal statements. Each individual author of the paper is responsible for the statements contained in the paper
- that the submitted text has been prepared in accordance with the *Instructions for Authors* and that the authors are prepared, upon request, to provide confirmation that the manuscript has undergone language editing prior to publication. Such confirmation is mandatory for all texts published in English
- that all authors of the paper assent to its possible in the print and online version of *Methodical Review*
- that all authors of the text are familiar with the terms of the CC BY license under which the journal publishes (see the *Instructions for Authors*)
- that he/she can sign this Statement in the name of all authors of the paper

After the paper is received, the author listed as responsible for correspondence will be sent an *Author Statement* to sign. Signing the *Author Statement* is a precondition for the regular review process conducted by the journal. Signing the *Author Statement* does not guarantee that the paper will be published, as this is decided by the editorship after a 'double blind' review process is conducted.

Date:

Signature of the author responsible for correspondence:

(Please send this signed and scanned *Statement* to
